P.C. :

The learned counsel for the petitioner submits that in this case the petitioner retired from service on 1st September, 2003. His grievance is that he is not getting his legitimate pension. The learned Assistant Government Pleader, on instructions, submits that the petitioner would be given pension in accordance with rules within two months from today and he also assured the Court that

his pension would be regularly paid thereafter. We direct that the accumulated pension be paid to the petitioner with 9% interest. No further directions are necessary. The writ petition is accordingly disposed of.
